A Message from the Katahdin Region Development Board to all Katahdin Area Communities:

As the response to COVID-19 continues to evolve, we feel it is important to let our communities within the Katahdin Region know that the Katahdin Region Development Board (KRDB) is closely monitoring the developments and recommendations made by the State of Maine. As a result, our offices in East Millinocket and Patten are closed to the public; however, our Executive Director, Michael Elliott, is working remotely while we continue to support the economic and community needs in the Katahdin Region. As the regional economic development director, Mike utilizes the wonderful partnerships both within the communities and around Maine in order to simplify the economic development process and act as a “one stop shop” for area businesses and entrepreneurs.

All businesses and communities are encouraged to reach out to Mike with any questions, needs, or support inquiries, and he will work directly with you via phone, video, or email channels to help you with whatever your request may be.

We are available Monday – Friday between 8am and 5pm. Email Mike at [Michael.elliott@katahdinregion.org](mailto:Michael.elliott@katahdinregion.org); or call 207.723.1862. Don't forget to follow us on Facebook to stay up-to-date on everything that is happening around the Katahdin Region.

Thank you,

Michael Elliott  
Executive Director  
Katahdin Region Development Board
