

For the FAME Direct Loan specifically, we need the following:

Complete, signed FAME Direct Loan Application.

- Including all guarantors (if they own 20% or more of the business); from each we need a complete, signed **Personal Financial Statement, SSN# and email address**.
- Sources & Uses: permanent working capital (relating to COVID-19)

Employment Plan (only needed if more than 10 employees)

- Complete as best possible and must be signed

Our application currently has a long list of items needed for full underwriting, see below for the **minimum information required**:

- 2 years financial statements Borrower(s) & Guarantor(s); or last 2 years available tax returns for Borrower(s) & Guarantor(s)
- Debt schedule for business
- PFS for each guarantor (need signatures); which authorizes FAME to pull credit report
- Completed application (need signatures)

Be advised that we cannot begin underwriting any loan request that does not submit all of the minimum requirements. I expect that with your assistance, we will get what we need.

Also, there is no guarantee that every Direct Loan request will be approved.

Businesses should reach out to their Lender before applying for a FAME Direct Loan or SBA Loan.

This will be the easiest and fastest way for them to receive funds.

Lenders submitting loan insurance requests through our On-Line Answer (OLA) will be approved at a minimum of 50% loan insurance.
